# Competition in Digital Markets

Friday 12 March 2021 | 2:30 PM | Zoom

Do you want to be updated on the current hot topics in the field of competition law? On 12 March 2021, the Law and Economics Society organizes a webinar revolving around the current challenges related to digital markets. To start off, Antonio Capobianco (Head of the OECD Competition Division) will guide us through 'The OECD's perspective on competition in digital markets.' Afterwards, Dr. Thibault Schrepel (Assistant Professor at Utrecht University) will be delivering his speech on 'Why the platform economy does not exist.' Finally, Gönenç Gürkaynak (Faculty Member at Bilkent University and Partner at ELIG Gürkaynak Attorneys-at-Law) will explore 'Self-preferencing issues and the gatekeeper role in antitrust law !' You can sign up at <https://www.jsvu.nl/en/activities> or the JSVU App!
